Mujhe yunhi karke khwabon se juda
Jaane kahan chup ke baitha hai Khuda
Jaanu na main kab hua khud se gumshuda
Kaise jiyun ruh bhi mujhse hai juda
Kyun meri rahein mujhse puche ghar kahan hai
Kyun mujhse aake dastak puche dar kahan hai
Rahein aisi jinki manzil hi nahin
Dhundho mujhe ab main rehta hun wahin
Dil hai kahin aur dhadkan hai kahin
Sansein hai magar kyun zinda main nahin
Rait bani haathon se yun beh gayi
Takdir meri beekhri har jagah
Kaise likhun phir se nayi dastan
Gham ki siyahi dikhti hai kahan
Aahein jo chuni hain meri thi raza
Rehta hoon kyun phir khud se hi khafa
Aisi bhi hui thi mujhse kya khata
Tune jo mujhe di jinay ki saza
Banday tere maathe pe hain jo khinchay
Bas chand lakiron jitna hai jahaan
Aansu mere mujhko mita te hain rahe
Rab ko hukm na mit ta hai yahan
Raahein aisi jinki manzil hi nahin
Dhundho mujhe ab main rehta hun wahin
Dil hai kahin aur dhadkan hai kahin
Saansien hai magar kyun zinda main nahin
Kyun main jaagun aur woh sapne bol raha hai
Kyun mera rab yun aankhien khole so raha hai
Kyun main jaagun
