Hey ey ey hey ey ey.....
Kyun, kyun, woh raaton se nindein churaati hai kyun, kyun, kyun.....
Meri tanhaayi ko phir jalaati hai kyun, kyun, kyun.....
Kyun... haan kyun... woh raaton se nindein churaati hai kyun
Meri tanhaayi ko phir jalaati hai kyun
Kab tak chhupaau main dil ki yeh baat
O o o o.... kab tak chhupaau main dil ki yeh baat
Woh aankhon se kaajal churaati hai kyun
O o o o.....
Kyun.....
Jalata main hoon tanaha o, kyun hota yeh pyaar yo
Usaka ham bhi hai laajami, dard apna kisase kahu
O o o o.....
Kyun.....
Sard aandhi si hai viraanagi, har pal mujhko dhindein hai kyun
Yuun toh hai sab kuchh tere pass, phir bhi yeh dil hai udaas kyun
O o o o.....
Kyun.... woh raaton se nindein churaati hai kyun
Meri tanhaayi ko phir jalaati hai kyun
Kab tak chhupaau main dil ki yeh baat
O o o.... kab tak chhupaau main dil ki yeh baat
Woh aankhon se kaajal churaati hai kyun....
O o o o..... woh raaton se nindein churaati hai kyun
