Somwaar ko sita, mangalwaar ko mita  
Budh ko babita, guruwar ko gita  
Som mangal sita mita, budh guru babita gita  
Shukr shani shweta sita, raviwaar ko roma rita  
Lafde roj karo lafde roj  
Mat socho naa kya hoga hamaara, ek ladki se naa hoga gujaara  
Jaha bhee mile mauka yeh najare ghumaayee  
Hamne toh har mahine ladakee pataayee  
Pataayee pataayee pataayee hai maine  
Jan me jubeda, feb me farida  
March me manisha, april me amisha  
May june milee juli, jully august jolly juicy  
Spetember october choosy, november december lucy  
Lafde roj karo lafde roj  
Yeh lafde bahut hai jaruree, bin uske yeh jindagee adhuree  
Mai khushee khushee aaise yeh jindagee jiyunga  
Kasam kha raha hu kabhee shaadee naa karunga  
Magar yeh kahunga....  
Sahee hai sahee hai sahee toh hai yeh  
Subah ko bashina  
Noon me neena, sham ko sakina  
Rat ko ravina, subah ko bashina lina  
Noon me neena meena, sham ko sakina pina  
Raat ko ravina reena
