Haddi haddi haddi haddi haddi haddi haddi khopadi
Baji baji baji baji baji baji baji hai meri
Haddi haddi haddi haddi haddi haddi haddi khopadi
Baji baji baji baji baji baji baji hai meri
Direction idher udher, focus hai jane kidhar
Connection tera mera jabse huwa
Locho mei phaas gaya hu
Veja satak gaya par
Hum tino mei love ka yesa
K lage love day
Puri puri life thee clean, single tha green
Tere bina tha mei fit,
Mere veje mei tuu jabse ghusa, fuse uda
Huwa life ka short circuit
Lage love day
Tere khatir lafda kiya, changa liya
Fir be najane value
Meri teri bonding kuch yesi bate chipi
Duniya bhi puche kiyu
K lage love day
Lage love dayâ€
