Laila laila laila, laila laila laila  
Mast mast tufaano mein, mast mast ek kashti hai  
Mast mast us kashti mein, mastaani laila  
Laila laila laila, laila laila laila  
Laila ki aankhein moti, laila ka jism khajaana  
Haasil karna chaahon toh, sailaabon se takraana  
Aa ha aa ha aa ha ha ha.....  
Laila ki aankhein moti, laila ka jism khajaana  
Haasil karna chaahon toh, sailaabon se takraana  
Aashiq jo darr jaayega dubega marr jaayega  
Tufaan hai bas do pal ka gujarega tal jaayega  
Phir toh hai bas teri baahon mein laila  
Laila laila laila, laila laila laila  
Dilwaalon hosa sambhaalo kar degi sharaabi laila  
Chhodo yeh niti iraaade niyat ki kharaabi laila  
Aa ha aa ha aa ha ha ha.....  
Dilwaalon hosa sambhaalo kar degi sharaabi laila  
Chhodo yeh niti iraaade niyat ki kharaabi laila  
Marham hai dard-e-dil ka, toh kabhi jeher hai laila  
Kya jaane khuda ki rehmat, ya usaka kehar hai laila  
Dum se jiske jindagi woh kaatil hai laila  
Laila laila, laila laila, laila laila laila  
Mast mast tufaano mein, mast mast ek kashti hai  
Mast mast us kashti mein, mastaani laila  
Laila laila laila, laila laila laila
