Lakhon tare, aasman me, ek magar dhunde naa mila  
Dekhke duneeya kee diwalee, dil meraa chupchap jala -2  
Lakhon tare, aasman me, ek magar dhunde naa mila -2  
Kismat kaa hai, nam magar hai, kum hai yeh duneeya walo kaa  
Phoonk diya hai chaman humare khwabo aur khayalo kaa  
Jee karta hai khud hee ghonth de, apne armano kaa gala  
Dekhke duneeya kee diwalee, dil meraa chupchap jala -2  
Sau sau sadiyo se lambee yeh, ghum kee rat nahee dhalatee  
Iss andhiyaare ke aage abb, aayee dil ek nahee chalatee  
Hanste hee lut gayee chandnee, aur uthte hee chand dhala  
Dekhke duneeya kee diwalee, dil meraa chupchap jala -2  
Maut hai behtar iss halat se, nam hai jiska majburee  
Kaun musafir tay kar paya, dil se dil kee yeh duree  
Kantho hee kantho se gujra, jo rahee iss rah chala  
Dekhke duneeya kee diwalee, dil meraa chupchap jala -2  
Lakhon tare, aasman me, ek magar dhunde naa mila  
Dekhke duneeya kee diwalee, dil meraa chupchap jala -2
