Chhod de chhod de chhod de aaj hath  
Rok le rok le aankhon mein jazbaat  
Hai shuru aaj se ye judaai ki raat  
Ja raha hoon liye main teri yaad saath Teri aaghosh se door  
Teri khushbuon se door  
Mujhe ho jaane de  
Aaj khud se tu door Dhoondh lunga koi toh main aisi jagah  
Na jahaan ho teri yaad se raabta  
Raaston se jude na koi raasta  
Faaslon se bhi mit na sake faaslainn raabton se door  
Tere raaston se door  
Mujhe ho jaane de  
Aaj khud se tu door Lambiya judaiyan  
Hisse sadde aaiyaan  
Rabba ve mohabbatan  
Kyun tu banaiyan (x4) Aaiyaan raaston se door  
Tere raabton se door  
Mujhe ho jaane de  
Aaj khud se tu door
