Let it be, let it be ab jaane de  
Ro liya aye zara muskurane de  
Itna toh haq banta hai mujhe  
Ik chance toh de de zindagi  
Ghalatiyon wali list mitane de  
Story mein ek twist toh aane de  
Itna toh haq banta hai mujhe  
Ik chance toh de de zindagi  
Meri majbooriyon ki hai  
Tujhko kasam tujhko kasam  
Chhod bhi de yeh naraazgi  
Apno se kab tak yahaan koi rootha hai  
Kya sahi kya nahin yeh sikha de na  
Bhoolle hum raste pe toh aane de  
Itna toh haq banta hai mujhe  
Ik chance toh de de zindagi  
Let it be, let it be ab jaane de  
Ro liya aye zara muskurane de  
Itna toh haq banta hai mujhe  
Ik chance toh de de zindagi  
Fursat ki eento se  
Khushiyon ke chheento se  
Duniya humaari banaaunga  
Sajaunga hai yeh vaada mera  
Sapno se sach ki jo doori hai  
Woh tay karunga  
Main kaise magar hai  
Yeh safar aadha mera aadha tera  
Tu jo meri ore aadha  
Kadam bhi chale kadam bhi chale  
Main toh unchi neechi sadko pe chal ke  
Saaton samandar ki doori mitaunga  
Roothi hai jab tak, main na jaaunga  
Tere dar par hi raat bitaunga  
Itna toh haq banta hai mujhe  
Ik chance toh de de zindagi  
Teri raahon mein hoon khada  
Toota, haara, tanha pada  
Maana maine ki bhool hai  
Lekin tera dil hai bada  
Tere dil ke kisi kone  
Mein hi sahi mein hi sahi  
Mujhe zara si jagah bhi mil jaaye toh  
Main uss mein hi apni jannat saja lunga  
Kaano ko kheench ke do laga ke  
Nasamajh ko zara samjha de na  
Itna toh haq banta hai mujhe  
Ik chance toh de de zindagi  
Let it be, let it be ab jaane de  
Ro liya aye zara muskurane de  
Itna toh haq banta hai mujhe  
Ik chance toh de de zindagi  
Na na na ..  
Itna toh haq banta hai mujhe  
Ik chance toh de de zindagi  
Na na na ..  
Itna toh haq banta hai mujhe  
Ik chance toh de de zindagi.
