O teri yaari, badi pyari
But main bhi hoon khiladi
No aata nahi, aata nahi, aata nahi
Mujhko chhupanaa€;Din bhar tu pyaar chahe (baby)
Raat ko baby rooth jaaye (baby)
No aata nahi, aata nahi, aata nahi
Mujhko mananaa€;So letâ€™s break up, o meri jaan
Letâ€™s break up, o maan ja
Teri meri kabhi nahi banaâ€™ni
O jaane de na (x2)Boom boom boom boommmâ€™ (x4)O dikh jaaye jo haseena
Chhut jaata hai paseena
Basically, basically, basically
Hoon main kameenaâ€™; Wo o.. tu bhi kahan
Kam hai baby (baby)
Kabhi seedhi toh kabhi tedhi (baby)
Basically, basically, basically
Tu bhi kameenaâ€™;So letâ€™s break up, O meri jaan
Letâ€™s break up, O maan ja
Teri meri kabhi nahi banaâ€™ni
O jaane de na (x2)Let me go!Sach hai you know baby
Tune aur maine bhi
Socha tha ek dooje
Ke hum ho jaayenge
Yahan wahan nahin jhakenge, but!Armaan machalte hain
Aur mann uchhalte hain
Alvida karte hain
Phir kabhi milte hai
Coffee peene kahin chalte hai
Lekin for nowâ€™;Letâ€™s break up, o meri jaan
Letâ€™s break up, o maan ja
Teri meri kabhi nahi banaâ€™ni
O jaane de na (x2)
