Lo saaf bata dete hai tumhe

Lo saaf bata dete hai tumhe  
Hum tumse mohabbat karte hai  
Lo saaf bata dete hai tumhe  
Hum tumse mohabbat karte hai  
Kya baat kahi  
Kya baat kahi masha allah  
Kya baat kahi masha allah  
Ye humse mohabbat karte hai  
Kya baat kahi masha allah  
Ye humse mohabbat karte hai  
Kya baat kahi masha allah  
Kya baat kahi masha allah  
Ye humse mohabbat ha  
Ye hamse mohabbat aji ha ha  
Ye humse mohabbat karte hai  
Kya baat kahi masha allah  
Ye humse mohabbat karte hai  
Kya baat kahi masha allah  
Ye humse mohabbat karte hai  
Kya baat kahi masha allah  
Ye humse mohabbat karte hai  
Lo saaf bata dete hai tumhe  
Hum tumse mohabbat karte hai  
Lo saaf bata dete hai tumhe  
Lab pe aati hai wohi bat  
Jo dil kahta hai  
Dekh ke tumko hame  
Hosh nahi rahta hai  
Haye ye reshmi zulfe  
Ye kitabi chehra  
Haye ye phul se  
Rukhsar gulabi chehra  
Bahki bahki hui  
Makhmul nigahe tauba  
Ye chamakti ye  
Lachakti hui bahe tauba  
Dekh le tumko to  
Goro ko pasina aaye  
Khol to baal to sawan  
Ka mahina aaye  
Khol to baal to sawan  
Ka mahina aaye  
Lo aaj bhari mahfil me ye  
Lo aaj bhari mahfil me ye  
Izhare hakikat karte hai  
Lo aaj bhari mahfil me ye  
Lo aaj bhari mahfil me ye  
Izhare hakikat karte hai  
Lo aaj bhari mahfil me ye  
Izhare hakikat karte hai  
Lo aaj bhari mahfil me ye  
Izhare hakikat karte hai  
Karte hai karte hai karte hai  
Lo saaf bata dete hai tumhe  
Hum tumse mohabbat karte hai  
Lo saaf bata dete hai tumhe  
Mithi bato me kabhi  
Hum nahi aane wale  
Hamne dekhe hai  
Bahut tumse banane wale  
Lo bahakne gaye  
Sarkar khuda khair kare  
Ho gaya hamse

Inhe pyar khuda khair kare  
Ye kayi baar mare  
Hai suna charchar hamne  
Par janaja kabhi jate  
Nahi dekha hamne  
Rat din bas ye hasino  
Ke gun hi gate hai  
Wo saram wale hai  
Dariya se palat aate hai  
Wo saram wale hai  
Dariya se palat aate hai  
Wo saram wale hai  
Dariya se palat aate hai  
Inse bachke raho ye saudagar  
Inse bachke raho ye saudagar  
Ulfat me tizarat karte hai  
Inse bachke raho ye saudagar  
Inse bachke raho ye saudagar  
Ulfat me tizarat karte hai  
Inse bachke raho ye saudagar  
Ulfat me tizarat karte hai  
Inse bachke raho ye saudagar  
Ulfat me tizarat karte hai  
Karte hai karte hai karte hai  
Kya baat kahi masha allah  
Ye humse mohabbat karte hai  
Kya baat kahi masha allah  
Wah kya khub  
Mohabbat ka sila dete ho  
Hum wafadaro ko  
Ilzame daga dete ho  
Tum wo harjai ho  
Has has ke rula dete ho  
Tum jise tak lo mitti  
Mein mila dete ho  
Hum na honge to  
Jamane mein andhera hoga  
Hum na honge to  
Yaha dard ka dera hoga  
Ishk se apne jamane  
Ko sawara hamne  
Husn se apne jamane  
Ko nikhara hamne  
Ek din dekhna  
Pachtaoge hamko kho kar  
Aur tum yaad karoge  
Sada rokar hamko  
Haal ye ho gaya  
Chahat mein tumhari dekho  
Chal chalte hai nayi  
Ab ye shikari dekho  
Ham na honge to  
Kaho naz karoge kis par  
Hum na honge to  
Batao ji maroge kis par  
Chodiye chodiye  
Bekar ki bate na karo  
Hum bhi kahte hai  
Ye takrar ki bate na karo  
Samne tum ho to  
Mausam hai suhana dekho  
Pyar me duba hua  
Hai ye zamana dekho  
Waqat rangin ye  
Kahta hai gale lag jao  
Saze dil chhed ke  
Ulfat ke tarane gao  
Saze dil chhed ke  
Ulfat ke tarane gao  
Saze dil chhed ke  
Ulfat ke tarane gao  
Jab pyar mein do dil milte hai  
Jab pyar mein do dil milte hai  
Virane ko jannat karkte hai  
Jab pyar mein do dil milte hai  
Jab pyar mein do dil milte hai  
Virane ko jannat karkte hai  
Jab pyar mein do dil milte hai  
Virane ko jannat karkte hai  
Lo saaf bata dete hai tumhe  
Hum tumse mohabbat karte hai  
Lo saaf bata dete hai tumhe  
Hum tumse mohabbat karte hai.
