Phir kya kyun kabhi
Teenon hum sakhi
Honge yuun saath na hona
Shadi jab ho jaayegi
To na samjho yeh kho jaayegi
Dost hum rahenge hamesha
Doli hai koi laane ko
Mujhe sang sang sang le jaane ko
Yeh din mujh ko sata yaad ayega
Raja ki rani ho ke
Jaa amritsar se uk
Tu kaisi dulari hai
Saare jag se yaari hai
Tu maang le jo bhi hai jiii mein
Kar le duniya muthi mein
Bibi khuli hai apni dukaan
Kaho kya le jaana hai
Begani shaadi mein
Ab dulha deewana
Kyun na jhuume gayen
Khushiyan se kyun na hosh gawayen
Naache hawa aur jhoome gagan
Yeh khone hain do jeevan
Swagat ladke ka ab hai phoolon se
Mahki hui raahen hain in galiyon se
Jo aaye shaadi mein kahe
Accha kuch to khilao
To kahenge de ke rasmalai
Zara is ka swad uthao
Heere moti laal pukraj
Hum kahan kahan se laye
Aur jab un se bane zewar
To chaand taare sharmaye
Pehle dulhan, in ko do
Lage sab se haseen
Aur agar kohinoor bhi hota
Phir woh lagti queen.
