Lo shuru huyi iss baar
Lo shuru huyi iss baar
Ham mein tum mein takarar
Bas mere dil ka dag ho
Tum kuchh nahi gale ka haar
Sunate ho tum nahi gale ka haar
Achchha main tere dil ka dag sahi
Main tere dil ka dag sahi
Par dag hu pyara pyara
Bin dag na dega chand kabhi
Thanda mitha ujjara
Kanta na laga ho
Kanta na laga ho phool ke sath
Toh phool hai bilakul kar
Toh phool hai bilakul kar
Toh phool hai bilakul kar
Kya isi tarah ki hogi shuru
Ham mein tum mein takarar
Ham mein tum mein takarar
Ham tum mein hamesha tani
Rahegi kabhi na hoga mel
Haan kabhi na hoga mel
Bhule toh na honge
Bhule toh na honge
Abhi tumhe
Woh balakapan ke khel
Woh balakapan ke khel
Woh balakapan ke khel
Iss bar magar kuchh
Iss bar magar kuchh aisi
Thanege lakh banae nahi banegi
Mil kar bhi rahenge alag
Alag jaise pani aur tel
Main jake kahi chhup jaunga
Aur pihu pihu pihu pihu
Pihu ki bol ke boli
Dil mein dard uthaunga
Main dil ka dard mitane
Aur man ka mit manane
Jhat inn charano mein aan girungi
Kar ke prem pukar
Kya isi tarah ki hogi shuru
Ham tum mein takarar
Ham tum mein takarar
Ham tum mein takarar.
