Sidha sadha har insan  
Hota hain woh phool samaan  
Sidha sadha har insan  
Hota hain woh phool samaan  
Insaniyat ke dusman  
Dete hai itna dokha  
Wo dukh mein tapte  
Tapnte wo ban jata hain loha  
Loha loha loha loha  
Wo katil hasta ha  
Iye ghaya Irota hain  
Sada nirdosho par  
Hi zumr kyu hota hain  
Chale na jab sachai  
Paisa banta hain iman  
Neki insan ke andar  
Jhak jata hain saitan  
Kanun se insan ka  
Jab uth jata hain bharosha  
Dukh mein tapte tapte  
Wo ban jata hain loha  
Loha loha loha loha  
Kachahri kaha gayi  
Thi kaha kanun tha khoya  
Sitam insan pe hua  
Jab kaha bhagwan tha soya  
Najar ke samne jiski  
Dunia lut jaye  
Uski jalti aankho mein  
Ghut kyu utar na aaye  
Badle ki aag bhadki  
Jo us aag ko kisne roka  
Dukh mein tapte tapte  
Wo ban jata hai loha  
Loha loha loha loha  
Julm ka namo nishan  
Na hoga dharti par  
Aaj hum nikle hain  
Kafan bandhe sar par  
Mile nafrat jisko  
Pyar woh kya dega  
Ek jaa ke badle  
Jaha ko mita dega  
Dil ki adalat ka  
Hota hain har inaf anokha  
Dukh mein tapte  
Tapte wo ban jata hain loha  
Loha loha loha loha  
Sidha sadha har insan  
Hota hain woh phool samaan  
Insaniyat ke dusman  
Dete hain itna dokha  
Wo dukh mein tapte  
Tapnte wo ban jata hain loha  
Loha loha loha loha.
