Aise na dekho kuch kuch hota hai
Aaj kal na mera sune bina sota hai
Baahon main lekar baitha rehta hai
Na mere hoonth hile na
Dekho na woh kuch kehta hai
Ohh..tu zulf se khile meri
Tode angadayi meri
Bhul ke duniya sari
Le main ho gayi teri
Sayya muzhko good night na kehne deta hai
Its long night
Its long night
Its long night
Yaar na muzhko sone deta hai
Its long night
Its long night
Its long night
Khud na muzhse yeh door hone deta hai
Long night...
I sware jab muzhe touch kare tu
Udde lakhon titliya..
Udde lakhon titliya..
Sikhungi pyar ke jab tak
Karungi na galtiya..
Karungi na galtiya..
Tanhaiya na mai feel karu
Jab saath main hota tu
Baby har saans ke saath kahu
Sayya muzhko good night
Na kehne deta hai
Its long night
Its long night
Its long night
Yaar na muzhko sone deta hai
Its long night
Its long night
Its long night
Khud na muzhse yeh juda hone deta hai
Long night...
Eik raat yeh imaan aur tu mere saath
Kabse sa tha pyasa aaj mili barsaat hai
Aas yeh jaga ke pyass yeh badhake
Good night keh ke sou rahi ho
Yeh bhi koj baat hai
Chal waisa karte hai attempt karte hai
Aane de muzhko baby tere left side
Hatade sharam karle muzhko hug tight
Its long night
Its long night
Its long night
Yaar na muzhko sone deta hai
Its long night
Its long night
Its long night
Khud na muzhse yeh juda hone deta hai
Long night...
