As it something you do
I'm so lost without you
Baby, i miss you
So, don't go!
Even though it still hurt
Last time make it work
Baby, i miss you
So, don't go
Jo tujhse chhoot
Raste bhi roothe
Manzil hui laapata
Hanste hain jhoot
Andar se toote
Shiqve sabhi de mita
Toh aao na chalein phir se
Sataao na mujhe phir se
Main tanha hoon bina tere
Bulaao na mujhe phir se
Kabhi haq toh jataao na
Hoon kya main ye bataao na
Tumhari aankhon se duniya
Mujhe aakar dikhao na
As it something you do
I'm so lost without you
Baby, i miss you
So, don't go!
Even though it still hurts
Last time, make it work
Baby, i miss you
So, don't go!
Kaise kahun, kaise sahan
Kaise jiyun tu bataa
Tere sang hi toh rehti hai
Meri saari khushiyaan
Tere mere lamhe adhure se hai wahaan
Humko bulane laga phir wahi raasta
Oh i don't really know
What i'm gonna do
Do you see a ray of hope
See it for me too
I miss you come back to me
Ummeedin phir se jagaa na
Yeh rota dil hasaa na
Tumhari aankhon se duniya
Mujhe aakar dikhao na
Toh aao na chalein phir se
Sataao na mujhe phir se
Main tanha hoon bina tere..
As it something you do
I'm so lost without you
Baby i miss you so don't go
Aa..
Mitne laga hai saari hasraton ka dhuaan
Aata hi kahaan hai laut kar waqt bita huaa
Thaa woh saaya aur saaya kab kisi ka huaa
Kehi hai zindagi mujhe
Ab tu phir laut aa
Chale the hum kisey paane
Aur aa thehre kahaan jaane
Khadi hai saamne khushiyan
Toh phir kyun dil nahi maane
Milega woh nahi aage
Kahaan dil bewajah bhaage
Abhi bhi waqt hai yaara
Jiyein phir se
As it something you do
I'm so lost without you
Baby i miss you so don't go..
