Haan main asali cheej hoon, bolo abb kya karein
Ek nahi do nahi sau nahi laakhon aashiq pichhe pade
I am on fire o maama miya, take me higher o maama miya
I am on fire o maama miya, take me take me take me take me
I am gonna scream
I am love machine whoooooooooo - 4
She is love machine..... o yes i am....
Sabse kahun main follow me follow me, sab follow karate hain
Jahaan bhi jaao dekh ke mujhako yeh aahein bharate hain
Na jaane kya baat hai mujhame sab mujhape marate hain
Sab chaahate hai mujhako phir bhi, kehane se darate hain
She is love machine.....
Tauba yeh jawaani meri duniya deewaani meri
Kitane hai yaar mere nakhare hazaar mere
Mithi mithi baaton se dil ko churaati hoon
Tikhi tikhi najaron se tir chalaati hoon
Karate hai sjhumalab mujhe too much love mujhe
Jhumake main chalati hoon aate hai earthquake
Jalati hai jamin
I am love machine whoooooooooo.....
She is love machine..... o yes i am....
Log kahein tu jaanemann hai sab ki darling tu hai
Aankhon mein romance bhara hai gaalon pe jaadu hai
Sabhi romeo kehate hai meri juliet tu hai
Lekin haath mahi aati tu udati huyi khushbu hai
She is love machine.....
Subah haseen meri shaam rangin meri
Dhakdhak karati hai dil ki machine meri
Kab se main kehati hoon pyaar karon permanent
Pehale dil dijiye dungi phir appointment
Jaaneman aise waise deti nahi lift tujhe
Paas mere aayega dungi koyi gift tujhe
Dil tera lungi chhin
I am love machine whoooooooooo.....
Haan main asali cheej hoon, bolo abb kya karein
Ek nahi do nahi sau nahi laakhon aashiq pichhe pade
I am on fire o maama miya, take me higher o maama miya
Fire fire o maama miya, take me take me take me take me
I am gonna scream
I am love machine whoooooooooo....
She is love machine..... you know i am, o yes i am....
