Love me love me love me, your maama says you love me  
Paapa says you love me, love me baby love me  
Love me love me love me, maama says you love me  
Your paapa says you love me, love me baby love me  
Tere sang jindagi bitaane ka irada hai  
Love me love me love me he say love me love me stop  
Thodi nahi puri nibhaane ka yeh waada hai  
Love me love me love me he say love me love me stop  
Tere sang jindagi bitaane ka irada hai  
Thodi nahi puri nibhaane ka yeh waada hai  
Tu meri justaju tu meri aaraju, main tere rubaru tu le li meri jaan  
Love me love me love me, your maama says you love me  
Paapa says you love me, love me baby love me  
Love me love me love me, maama says you love me  
Your paapa says you love me, love me baby love me  
Aagaaz tu anjaam tu tere siwa koyi mujhe jachata nahi  
Meri mehraba meri kehkasha tere bin dil kahin lagata nahi  
Tere siwa naam koyi socha nahi, tere bina khaab koyi dekha nahi  
Tu meri justaju tu meri aaraju, main tere rubaru tu le li meri jaan  
Love me love me love me, your maama says you love me  
Paapa says you love me, love me baby love me  
Love me love me love me, maama says you love me  
Your paapa says you love me, love me baby love me  
Noor-e-najar jaan-e-jigar jindagi mein aashqui kamaal kar gayi  
Mere raahbarsach hai magar jindagi ko aashiqui nihaal kar gayi  
Are dil pe toh bas koyi chalata nahi  
Haan sochake bhi pyaar koyi karata nahi  
Tu meri justaju tu meri aaraju, main tere rubaru tu le li meri jaan  
Love me love me love me, your maama says you love me  
Paapa says you love me, love me baby love me  
Love me love me love me, maama says you love me  
Your paapa says you love me, love me baby love me
