Jeh main tenu baahar dhoonda
Teh mere andar kaun samaaya?
Jeh main tenu andar dhoonda
Teh baaher kiski maaya?
Andar tu ein baaher tu ein
Vekhaan har thaan tera saaya
Main vi tu ein teh tu vi tu ein
Ratta farak nazar naa aaya
(ratta: little/small amount) Yaar aji luttna haye luttna
Oh.. dil tuttna tuttna tuttna
Yaar enj lutna haye luttna
Oh.. dil tuttna tuttna tuttna
Yaar enj lutna..Log charaag jalaate ghee ke
Maine dil ka deep jalaaya
Log hain khaate kasam wafa ki
Main zehar hijr ka khaya (hijr: Separation) Log gawaande dil ishq mein
Log gawaande dil ishq mein
Maine apna aap ganwaya
Phir bhi mera kujh naa haaye
Mere sohne yaar ko bhaaya Jeh main nadiyaan taa tu paani
Main taan bin tere suk jaana
Main taan bin tere suk jaana
Jeh tu paani taa main pyasi
Jeh tu paani taa main pyasi
Main taan bin tere muk jaana
Main taan bin tere muk jaana Dil da lagna agg da lagna
Yaara sab kuj hai jal jaana
Na tu dhuaan naa chingaari
Yahaan kuch bhi nazar naa aana Aaja khelein khel wafa ka
Aaja khelein khel wafa ka
Yeh khel hai bahut purana
Yaa tu mera, yaa main teri
Hai chaukhat par mar jaana Yaar aji luttna haye lutna
Oh.. dil tuttna tuttna tuttna
Yaar enj lutna haye luttna
Oh.. dil tuttna tuttna tuttna
Yaar enj lutna..
