Yahan vahan saara jahan dekh liya
Ab tak bhi tere jaisa koi nahin hai
Assi nahin sau din duniya ghooma hai
Nahi kaahe tere jaisa koi nahin
Main gaya jahan bhi bas teri yaad thi
Jo mere saath thi mujhko tadpaati roolaati
Sab se pyaari teri surat
Pyaar hai bas tera pyaar hi
Maa tujhe salaam
Amaama tujhe salaam
Vande maataram vande maataram - 3
Vande maataram vande maataram
Janam janam tera hoon deewana main
Jhoomoon naachoon gaaron tere pyaar ka taraana main
Jeena nahin soch nahin duniya ki daulat nahin
Bas lootunga tere pyaar ka khazaana
Ek nazar jab teri hoti hai pyaar ki
Duniya tab to meri chamke damke maheke re
Tera chehra suraj jaisa chand si thand hai pyaar mein
Vande maataram vande maataram - 3
Tere paas hi main aa raha hoon
Apni baahen khol de
Zor se mujhko gale laga le
Mujhko phir woh pyaar de
Tu hi zindagi hai tu hi meri mohabbat hai
Tere hi pairon mein jannat hai
Tu hi dil tu jaan amma
Maa tujhe salaam
Amma tujhe salaam maa tujhe salaam
