Darde muhabbat -2 hota hai kya ham bhee dekhenge
Kitana gehara hai yeh dariya ham bhee dekhenge
Maahee ve maahee ve divaane maahee ve maahee ve
Tekhna hai iss duniya me lekar usaka naam
Dubanewaalo kaa hota hai aakhir kya anjaam
Kis nagaree me armaano kaa hota hai nilaam
Kaun lagata hai dil kee ? dhadkan kaa naam
Kaise bikata -2 hai sauda ham bhee dekhenge
Kitana gehara hai yeh dariya ham bhee dekhenge
Maahee ve maahee ve divaane maahee ve maahee ve
Luv is so beautiful, luv is so true
Luv is invisible, luv is everywhere
Luv can come to deep, luv can give u prayer?
Luv this skies of high, luv is in da air
Dil me hamaare chutakee letee rehatee hai baat
Chaand ko kis tarah se milatee hai kirno kee saugaat
Roj kaha se aatee hai taaro kee baaraat
Kaun hai aisa jisakee wajah se khil uthatee hai raat
Apane aankho -2 se yeh tamaasha ham bhee dekhenge
Kitana gehara hai yeh dariya ham bhee dekhenge
Maahee ve maahee ve divaane maahee ve maahee ve
