Hare hare rāma, hare hāre krishna  
Kat de jo bhi tere raste aye, kat de  
Achha bura tu kyo sóchta  
Fas jayega dusman pe tut ja  
Bas yaād rakh is satya ko  
Jinda rahna to jinda na chhodna  
Mar de jo bhi tujhse takrayega mar de  
Hare hare rāma, hare hāre krishna  
Kat de jo bhi tere raste aye, kat de  
Rim sim rim sim rim sim  
Om him krim sim ymu kar chatkaye khun

Satru teri mout hai  
Tu mout ki bhi mout ban  
Jo sar uthaye uske sar rond de  
Yudh tere netar hai, khel kurukshetar hai  
Sher si bhujaye hai dahad de  
Tu pyar ban jee jan se sarkar ban  
Bekhof hokar war kar,  
Takat ko bada narsahar 'kar  
Bas mar de  
De jo bhi tujhse takrayega mar de  
Hare hare rāma, hare hāre krishna  
Kat de jo bhi tere raste aye, kat de  
Hare hare rama, hare hare krishna  
Hare hare rama, hare hare krishna  
Hare hare rama, hare hare krishna  
Hare hareA hare hare  
Hare krishna, hare rama  
Tu khud hi bhagwan ban  
Tu khudhi se nyay kar  
Age bad lad teri dhak hai  
Choro kī chal hai, bhediyō kī dhal hai  
Tu akela so barabar bheem hai  
Beeta hua kal aye na,  
Ane wala kal bhi na ayega  
Gati sodh ki jwala mein  
Jal var ki dhar ko tu dhar de  
Mar de jo bhi tujhse takrayega mar de  
Hare hare rama, hare hāre krishna  
Kat de jo bhi tere raste aye, kat de  
Achha bura tu kyo sochta  
Fas jayega dusmān pe tut ja  
Bas yaād rakh is satya ko  
Jinda rahna to jinda na chhodna  
Mar de jo bhi tujhse takrayega mar de  
Hare hare rāma, hare hāre krishna  
Kat de jo bhi tere raste aye, kat de  
Hare hare rama, hare hare krishna  
Hare hare rama, hare hare krishna  
Hare hare rama, hare hare krishna  
Hare hareA hare hare.
