Maare gaye gulfaam, ajee ha maare gaye gulfaam  
Ulfat bhee ras na aayee, ajee ha maare gaye gulfaam  
Ik sabjaparee dekhee aur dil ko ganva baithe  
Mastaana nigaaho par phir hosh luta baithe  
Phir hosh luta baithe, kaahe ko mai muskuraayee  
Ajee ha maare gaye gulfaam, maare gaye gulfaam  
Ajee ha maare gaye gulfaam  
Aabru kee kataaree se, naano kee dodhaaree se  
Woh ho ke rahe jakhnee, ik bade baharee se  
Ik bade baharee se, yeh julf kyon lehraayee  
Ajee ha maare gaye gulfaam, maare gaye gulfaam  
Ajee ha maare gaye gulfaam  
Iss pyaar kee mahafil me, woh aaye mukaabil me  
Woh tir chale dil par, halchal see huyee dil me  
Halchal see huyee dil me, chaahat kee saja paayee  
Ajee ha maare gaye gulfaam, maare gaye gulfaam  
Ajee ha maare gaye gulfaam  
Ulfat bhee raas na aayee, ajee ha mare gaye gulfam
