Sa-ra-ra holika jale
Shatru raakh mein mile
Humne jab jab samshire
Thani hai maay bhavani
Sa-na-n aandhiya uthe
Shatru jad se mite
Humne baat yahi mann mein
Thani hai maa ae bhavani
Hum sab mard maavade
Bade khudar hain
Ab har ek din svaraaj ka
Tayohaar hain
Ab ye shish na jhuke
Teri laaj hum rkhe
Tere charno ki shapath
Maa jagdambe hai maa ae bhavani
Ho, dhuya dhuya gehara tha
Ghana sa andhera tha
Toone usme roshni bhari
Hey daan diya bhakti ka
Daan diya shakti ka
Tune hi ton jholiyan bhari
Jo bhi barson barson tarsi thi
Aayi unn honthon pe hanshi
Ambbe mata teri kirpa se
Mere ghar mein aayi khushi
Hum chattan se datté kabhi na
Raah se hate
Hamne bat yahi maan mein
Thani hai maay bhavani
Maa ae bhavani
Maa ae bhavani.
