Check, Ah!  
Yeah  
Beeeti jo baatein wo baatein kal ho gayi  
Biti hui baaaton pe matti main dala  
Duniya yeh bhot badi chinti kho gayi  
Tabyat gadbad phir thik ho gayi  
Tirchhi topi tshirt  
Asli log hi preferred  
Asli log ka reference  
Ashleel log ka kya kare  
Apne jab dhoka de kya kare  
Luck me nahi khoka toh kya kare  
Sapne sajaya tha bachpan se jo maine  
Sapne wo tute toh kya kare  
Apne hi jhote toh kya kare  
Apne hi sharp -hooter  
Aastin ka saahp ban ke  
Apne hi das lere kya kare  
Ab nahi personal hai kya kare  
Public opinion ka Kya kare  
Kal tak jo ladke goli chala re the  
Aaj Desh chala re toh kya kare  
Tension hai sarhad pe kya kare  
Majjaaaani life, qurbani side  
Khabre nahi padte toh kya kare  
Aurtien gayab, konse riots  
Farak nahi padta toh kya kare  
Maghreb Maghreb aye mere Maghreb  
Tu hi yeh bata de mujhe kaha pe mai jau  
Bit chuka sheher pe jo Kisko batau  
Rit mere desh ki mai kis ko sunao  
Bambai sheher bole desh ka yeh west  
Duniya k east me gundo na nest  
Nahi leta rest style mera best  
Karu pass test har din monday  
Kathinayi less self obsessed  
Har weeeek article media press  
Street mera cred kar bhi kya sakte  
Ek aur fact pol khol threat  
Chhod du seventy life karu set  
Life ka routine mera wife karu set  
Knife se cooking beta  
Height karu check  
Mic pe spitting beta  
Hyper hu main  
Maghreb, Maghreb mai mera Maghreb  
Maghreb, Maghreb mai mera Maghreb  
Maghreb, Maghreb mai mera Maghreb  
Maghreb, Maghreb mai mera Maghreb  
Anjane tune nahi  
Mujhko abhi pehchana  
Gahja nahi peeeta mai  
Jeeta nahi banjara  
Nanga nahi kapde  
Mahenge nahi ambani  
Bangali flow mera  
Idhar ka nahi malbari  
Manja nahi aisa  
Patang meri kat pari  
Wanda nahi jaaane de  
Asan dhanda nahi  
Mar jaaare rasto pe  
Dene ko kanda nahi  
Jaabaaz andar se hai  
Aatishbaaz hai iraade  
Khuda k pehle gine  
Kisi ko nahi laaa ilahi  
Sabhi tamasha chaahte  
Kon chahta imandaari  
Sabhi ka bhala ho  
Sab kaaam kare shandar  
Dua yeh meri tujhse  
Teri mujhse kya dua  
Thoda sa sehna pada  
Gir k uth gaya kya hua

Sansaar pressure daaale  
Baap patta le de maa dua de  
Haalaaat jaise bhi ho  
Fayslo par kaabu paale  
Ded shana dher sara  
Kheer khara eid pe  
Milna milana nahi  
Badshah re peeer pe  
Dhoke de mauke pe  
Beech me se chirte  
chirele chirele  
Beat pe sab Heat me  
Tokyo Japan me  
Creator summit me  
Ada time air time  
aaandhi zameeen pe  
Gandhi tameez se  
chaaar din ki chandi  
Waaapas garib be  
Pocket me blade be  
Pakeezah rate  
Daaakhil ho gate se  
Vaaajib hai hate  
Maaahir hu game me  
Saaabit hai gem  
Try beta same flow  
Favourite rapper lame bro  
Leverage mile brand ko  
Double triple multiply  
Solo tu mai multiplayer mode  
Ek hi fight me bhule apna pincode.
