Mahalo ka vaibhav thukraya  
Jeewan ka sukh balidan kiya  
Raghukul ki shan nibhane ko  
Kantak path par kiya prasthan  
Ab raja raja na raha  
Or ye praja praja na rahi  
Is ke niche sab ek hue  
Ye samanata ki dhaja rahi  
Ye akal pratab pratigya ki  
Jisne wanchhit har pran kiya  
Pathar ko toad pahado mein  
Mewad naya nirman kiya  
Ye tyag tapasya ka phal tha  
Ye tyag tapasya ka phal tha  
Kartavya marg pe ja chada  
Ek taraf chingari  
Ek taraf ghan ghor ghata  
Ye sangram anokha tha  
Ye sangram anokha tha.
