Mahee ve, mohabbata sachiyane
Mangda nasiba kuchh aur hai
Kismat de mare assi kee kariye
Kismat de mare o assi kee kariye, kismat pe kis kaa jor hai
Mahee ve, mahee ve, mahee ve, mahee ve
Ek taraf ishk hai tanha tanha
Ek taraf husn hai ruswa ruswa
Dono bebas huye hain kuchh aise
Kare toh kisse kare ham shikwa
Mahee ve -2 shikaeta sachiyane, mangda nasiba kuchh aur hai
Mahee ve mohabbata sachiyane, mangda nasiba kuchh aur hai
Mahee ve, mahee ve, ve
Dil naa tute khuda kaa yeh ghar hai
Tere sajde me meraa yeh sar hai
Maut se darr nahee lagta mujhko
Sirf tumse judayee kaa darr hai
Mahee ve -2 aeneeta sachiyane, mangda nasiba kuchh aur hai
O mahee ve mohabbata sachiyane, mangda nasiba kuchh aur hai
Kismat de mare assi kee kariye, kismat de mare o assi kee kariye
Kismat de mare assi kee kariye, kismat pe kis kaa jor hai
Mahee ve, mahee ve, mahee ve, mahee ve.....
