Mai kahee bhee rahu, har kadam har ghadee
Mere dil me basee teree yad hai
Meree aankho kee duniya hai sunee padee
Dil kee duniya magar tujhase aabad hai
Mai kahee bhee rahu har kadam har ghadee
O o o.....
Kaise bhule bichhadne kaa woh pal mujhe
Abb bhee kar deta hai jaise pagal mujhe
Mujhse aansu chhupake woh jana teraa
Dekhne phir woh khidakee pe aana teraa
Mujhe teraa woh hansna aur khilkhilana yad aata hai
Palatke dekhna aur muskurana yad aata hai yad aata hai
O o o.....
Mai kahee bhee rahu har kadam har ghadee
Mere dil me basee teree yad hai
Mai kahee bhee rahu har kadam har ghadee
Rabba re rabba rabba rabba re rabba rabba
Rab rakha soniya, rab rakha soniya
Rabba re rabba rabba rabba re rabba
Lahlahate huye kheton kaa woh sama
Rah takana meraa teraa aana vahan
Teraa sharmana pas aate huye, dur charvahe bansi bajate huye
Ho dur charvahe bansi bajate huye
Yad hai mujhko teree woh betabiya
Koee aaye toh ho tujhko meraa guman
O o o.....
Mai kahee bhee rahu har kadam har ghadee
Mere dil me basee teree yad hai
Mai kahee bhee rahu har kadam har ghadee
Iss anguthee me jhilmilati hai -2, teree yado kee ik kiran aise
Baithee phulo kee sajilee dolee me baithee
Phulo kee sajeeli doli me, muskuraye dulhan jaise
Jahan bas raj hai teraa -2, woh aangan yad aata hai
Vahan ghutano jo chalta hai, woh bachpan yad aata hai
O o o.....
Mai kahee bhee rahu, har kadam har ghadee
Mere dil me basee teree yad hai
Mai kahee bhee rahu, har kadam har ghadee
Teraa har bat par inkar yad aata hai mujhko
Naa karana koee bhee ikrar yad aata hai mujhko
Bigadna woh teraa har bar yad aata hai mujhko
Tere ghusse me tha jo pyar yad aata hai mujhko
Yad aata hai mujhko
Teraa woh daud ke aana
Woh milna yad aata hai
Tere khamosh honthon kaa woh hilna yad aata hai
O o o
Mai kahee bhee rahu har kadam har ghadee
Mere dil me basee teree yad hai
Meree aankho kee duniya hai sunee padee
Dil kee duniya magar tujhase aabad hai
Mai kahee bhee rahu har kadam har ghadee
