Mai kya jee, oye kee gal hai, koyee nahee
Teree aankhon se lagta hai, tu kal rat ko soyee nahee
Nind hai kya kaun see chij, jo maine tere pyar me khoyee nahee
Gal kaa matlab bat bich na bat nahee koyee aisee
Dil kee aag bujhaye jo barsat nahee koyee aisee
Jee bhar ke ham mile ho, jab mulakat nahee koyee aisee
Are yeh toh merree himmat hai, mai tadapee jagee royee nahee
Kee gal hai.....
Ik ham aaj akele uss pe mausam yeh mastana
Jag utha dil me shayad dard koyee purana
Tu jo kuchh bhee aaj kahegee hoga ik bahana
Mai tujhko chhedunga varana chhod de sharamana
Dekhane sunane wala duja aur yaha par koyee nahee
Kee gal hai.....
