Mai sochu yeh kaise, tum naa milate toh kya hota
Mai sochu yeh kaise, tum naa milate toh kya hota
Jo sukun mere dil ko mila hai, kya tum bin mila hota
Shaayad, shaayad, haa shaayad
Chaahat yu hee badhatee rahe, reh naa paaungee tere bina kasam se
Haay dekha naa koyee bhee duja tumsa, abb jane naa dungee tumhe dur hamse
Lagata hai jaise bandha ho yeh bandhan jannat me kahee
Kahee janmo kaa hai yeh bandhan
Kahee aisa aisa toh nahee
Shaayad, shaayad, haa shaayad
Mai jaanata hu ke tum jaanatee ho
Tum jaanatee ho ke mai jaanata hu
Ham jaante hain ke duneeya agar jaan legee toh
Tufaan uthega, khuda naa kare kahee aisa ho
Magar jaane kab jaan leva judaayee yeh hogee khatam
Kya hai aisa bhee mumkin, ke divaar yeh tod payenge ham
Shaayad, shaayad, haa shaayad
Nahee mujhko khabar kya galat kya sahee
Kyun mai aaj khud apane bas me nahee
Chaahat toh hai jarur, mera dil keh raha hai
Aisee baato se rehna hai dur, jamir samajha raha hai
Ha aur naa kee iss uljhan me, phas gaya dil bechaara yu hee
Yeh kya ho gaya, aisa kyun ho gaya
Kahee aisa toh nahee
Shaayad, shaayad, ha shaayad
La la la la la la la.....
