Mai teree dushman dushman too mera mai nagan too sapera -2
Janam janam se tera mera bair o rabba khair
Mai teree dushman dushman too mera mai nagan too sapera -2
Aaj ka badala mai bas lungee, chhed na mujhako mai das lungee
Jantar mantar jaadu tone yeh toh mere khel khilaune
Mujhapar chalega na jor tera
Mai naagan too sapera
Chhed ke apanee bean ka lehra -2, tune bithaya mujhapar pehara
Basame nahee mai aanewalee mai nahee dhokha khanewalee
Aaya hai jogee banake lutera mai naagan too sapera -2
Sabakee juba par meree kahanee, mera dasa huwa maange na paanee
Tera tamaasha sab dekhenge, kya hota hai aab dekhenge
Dekhega too na kal ka savera mai naagan too sapera -2
Mai teree dushman dushman too mera mai naagan too sapera -2
Janam janam se tera mera bair o rabba khair
Mai teree dushman dushman too mera mai naagan too safera -2
