Main badal hoon barkha tu  
Saavan mein aa milke bheege hum  
Yun chhedo na chhodo bhi  
Deewana hota hain yeh mausam  
Main badal hoon barkha tu  
Saavan mein aa milke bheege hum  
Aa jaa meri baahon mein  
Chikani hain raahen  
Behke kadam tere phisal na jaaye  
Aake teri baahon mein dar lagta hai  
Barson se pyaase dil machal na jaaye  
Yeh rimjhim ke saayein mein  
Bundon ne chhedi hai kyaa sargam  
Oo yun chhedo na chhodo bhi  
Deewana hota hai yeh mausam  
Khile khile phoolon  
Ko daalij se chunke  
Dharti pe kaliyon ki sej sajale  
Ho jaagi jaagi aankhon ke  
Sapno mein kho ke  
Pyaasi mohabbat ki kismat jaga le  
Yeh anjaani betaabi milke bhi  
Jaane kyun ho na kam  
Main baadal hoon barkha tu  
Saavan mein aa milke bhige hum  
Teri bhigi zulfon ke saayein mein aake  
Dil pe nahin mera bas chalta hai  
Teri garm saanson se aanch si aaye  
Sulge badan mera mann jalta hai  
Main tera hoon meri tu  
Dil se dil mil jaaye to kyaa gham  
Oo yun chhedo na chhodo bhi  
Deewana hota hai yeh mausam  
Main badal hoon barkha tu  
Saavan mein aa milke bheege hum.
