Main deewana deewana
Main deewani deewani
Main deewana deewana
Mere dil ko tumse mohabbat badi hai
Tera hi tasabbur mujhe har ghadi hai
Main deewana deewana
Meri roobaroo teri chahat khadi hain
Tera hi tasabbur mujhe har ghadi hain
Main deewani deewani
Mujhko toh hai yeh mohbat nibhani
Chahe gawani pade zindagaani
Chudi bindiya payal kangna sab hai tere naam
Tere ishq mein dubi hu main ab toh subaho shaam
Koi bhi ho aalam koi bhi ho mausam
Meri dhadkan jaanam tujhko chaahe har dam
Mera dil teri khwaahishon ki ladi hai
Tera hi tasabbur mujhe har ghadi hai
Main deewana deewana
Tere siwa arzoo na kisi ki
Tu imtihaan hai meri zindagi ki
Phool mein khushbu sp mein moti rehta ha jaise
Tu merisaanson mein har pal rehta hain aaise
Jo toote na kabhi aaisa hai yeh bandhan
Tu bas mere liye hai bani jaan-e-man
Sanam kasma vaadon ki tu hathkadi hai
Tera hi tasabbur mujhe har ghadi hai
Main deewana deewana
Mere dil ko tumse mohabbat badi hai
Tera hi tasabbur mujhe har ghadi hai
Main deewana deewana
Main deewani deewani
