Main hu saaqi tu  
Hai sharabisharabi  
Main hu saaqi tu  
Hai sharabisharabi  
Tune aankho se pilayii  
Woh nasha hai ke duhai  
Har taraf dil ke chaman  
Mein phul khile hain gulabi  
Gulabi main hu saaqi tu  
Hai sharabisharabi  
Main hu saaqi tu  
Hai sharabisharabi  
Ishq mein jina sambhal ke  
Dil ka paimana na chhalake  
Bahaki bahaki teri najare  
Khwab dikhaati hain kal ke  
Bahaki bahaki teri najare  
Khwab dikhaati hain kal ke  
Teri mehfil mein o saaqi  
Ham chale aaye nashe mein  
Abb toh bas yeh hai tamanna  
Umrr kat jaaye nashe mein  
Umrr kat jaaye nashe mein  
Ishq hai teri sawali  
Ishq hai teri sawali  
Husn hai mera jawabi jawabi  
Tu hai saaqi main  
Hun sharabisharabi  
Tu hai saaqi main  
Hun sharabisharabi  
Main teri duniya mein aa ke  
Rah gaya khud ko bhula ke  
Kya ho anjaam na jaane  
Hosh ulfat mein ganva ke  
Kya ho anjaam na jaane  
Hosh ulfat mein ganva ke  
Bekhudi ke yeh taraane  
Yu hi gaaye ja dewaane  
Ishq rang laayega apna  
Aa gaaye ab woh jamaane  
Ishq rang laayega apna  
Aa gaaye ab woh jamaane  
Teri mastaani yeh baate  
Teri mastaani yeh baate  
Dil pe laaye na karaabi karaabi  
Main hu saaqi tu hai sharabi  
Sharabi tune aankho se pilayii  
Woh nasha hai ke duhai  
Har taraf dil ke chaman  
Mein phul khile hain gulabigulabi  
Main hu saaqi tu hai sharabi sharabi  
Main hu saaqi tu hai sharabi sharabi.
