Aasmaan sitaaron se chhalakne laga
Chand saa tu jo mujhme chamakne laga (x2) Rahoone tere yoon paas main
Banu tera ehSaas main
Yaar jee loon aa teri har saans main Shaam saa tu dhalta
Tu subah saa hai nikalta
Tere saaye mein chalta
Main hoon saath tere
Main hoon saath tere Hai yehi iraada
Tujhe chaahun khud se zyada
Dil se hai yeh waada Main hoon saath tere (x4) Seene mein tere pyaar ki
Udti hai patange
Udke yoon hawa mein tera
Main aanchal huaaa! O bheega hoon tere saath main
Baarishon mein teri
Bikhri jo teri zulf toh
Main baadal huaa Teri kaali aankhein
Mere khwaab ka hai dariya
Main utar ke inmein kho gaya Hai yehi iraada
Tujhe chaahun khud se zyada
Dil se hai yeh waada Main hoon saath tere (x4) Tere hi liye raat bhi
Din bhi main guzaarun
Soye tu tujhe raat bhar main dekha karoon Mujhme tu kuch iss tarah se
Ho gaya hai shaamil
Tere bin chalun bheed mein
Toh tanha lagun
Aaina ho koyi
Nazar aaye mujhko tu hi
Main bhi tera chehra ho gaya Hai yehi iraada
Tujhe chaahun khud se zyada
Dil se hai yeh waada Main hoon saath tere (x4)
