Tu hai najuk kali  
Nazo se hai pali  
Aankho mein thi haya  
Hotho pe thi hasi  
Apne babul ke ghar  
Gumse thi bekhobar  
Sabki pyari thi tu  
Rajdulari thi tu  
Chali phulo pe tu  
Jhuli jhulo pe tu  
Gungunati thi tu  
Muskurati thi tu  
Bulbulo ki tarah  
Chah chahati thi tu  
Chah chahati thi tu  
Chah chahati thi tu  
Main kya thi o main kya thi  
Main kya se ye kya ho gayi  
Main kya thi  
Main kya se ye kya ho gayi  
Main khud ke liye  
Ek saja ho gayi  
Mai khud ke liye  
Ek saja ho gayi  
Saja ho gayi saja ho gayi  
Saja ho gayi saja ho gayi  
Mujhe kitne hue  
Kya batau sitam  
Agar likhega koi  
Ro dega kalam  
Is mahfil me hai  
Wo lutere sabhi  
Das gaye jo meri  
Bholi si jindagi  
Meri fariyad pe  
Muskurate hai ye  
Nachne ke liye  
Jurm dhate hai ye  
Meri tarah se  
Koi suhagan na ho  
Koi dulhan jaha  
Me abhgan na ho  
Koi dulhan jaha  
Mein abhgan na ho  
Abhgan na ho  
Abhgan na ho  
Main banke ho  
Main banke dulhan  
Behaya ho gayi  
Mai banke dulhan  
Behaya ho gayi  
Main khud ke liye  
Ek saja ho gayi  
Main khud ke liye  
Ek saja ho gayi  
Saja ho gayi  
Saja ho gayi  
Saja ho gayi  
Saja ho gayi.
