Main raat ko uth uth roti hoon
Jab sara zamana rota hai
Wo bhulne wala
Wo bhulne wala kya jane
Is dard mein kya kya hota hai
Wo bhulne wala
Dil uska bhi hai mera bhi
Dil uska bhi hai mera bhi
Barbad hai ye aabad hai wo
Ye kaisi do rangi duniya hai
Ek hasta hai ek rota hai
Is dard mein kya kya hota hai
Wo bhulne wala
Duniya to mita dali meri
Duniya to mita dali meri
Ab kahti hai dil se yaad teri
Jo cheez thi jani wo to gayi
Ab jan bhala kyu khota hai
Wo bhulne wala
Wo bhulne wala kya jane
Is dard mein kya kya
Haye kya kya hota hai
Wo bhulne wala.
