Main woh raat hoon  
Wo haalaat hoon  
Jiski na hai door door  
Ab toh subah koi

Main toh shor hoon  
Par chup-chaap hoon  
Mujhse koi khali nahi  
Dekho jagah koi

Sun re meri aankhon ki zameen pe  
Dena dikhaai kuch nami se  
Koi toh jaane meri bebasi bebasi o..

Sun le mera sooraj bhi galti se  
Dooba meri khidki pe  
Kahaan se aayegi haan roshni roshni o...

O... wo...

Haan din mein hi shaam si hai  
Thodi thakaan si hai  
Haara nahi hoon main ab talak toh  
Main uth ke phir khada hoon dekho

Haan mere haathon ki lageerein  
Mere haathon mein bachi hai  
Koi kya mitayega aake inko  
Mere haathon mein rahengi

Toh phir dard saare ye daba ke  
Zidd ko ziddi banaa ke  
Ab rahunga nahi yun chup main chup main  
O.. o...

Toh phir saanse zakhmi banaa ke  
Kasmein aansuon ki kha ke  
Ab ladunga yahaan bhi khud main khud main  
O... O...
