Maine ek khwab sa dekha hai
Jara me bhi sunu
Sun ke sharma to na jaogi
Mm h tum se nahi
Maine dekha hai ki phulo se ladi shakho me
Tum lachakati hui u meri karib aayi ho
Aa
Jaise muddat se uhi sath raha ho apna
Jaise ab ki nahi sadiyo ki shansai ho
Maine bhi khwab sa dekha hai
Kaho tum bhi kaho
Khud paye itara to na jaoge
Nahi khud se nahi
Maine dekha ki gate huye jharno ke karib
Apni betabi jazbat kahi hai tum naye
Hm
Kapte hotho se rukati hui aawaz ke sath
Jo mere dil me thi vo baat kahi hai tum ne
Hmmm hmmm hmmm hmm hmmm
Aanch dene laga kadmo ke tale barf ka pharsh
Aaj jana ki mohabbat me hai garmi kitani
Hmmm mmmm
Sangmaramar ki tarah sakt badan me tere
Aa gayi hai mere chulene se narmi kitani
Hmmm hmmm hmmm hmm hmmm
Hum chale jaate hai aur door talak koi nahin
Hum chale jaate hai aur door talak koi nahin
Sirf paton ke chatakhane ki sada aati hai
Dil me kuch aise kayalat ne karvat li hai
Mujh ko tum se nahi apne se haya aati hai
Hmmm hmmm hmmm hmm hmmm
Maine dekha hai ki kohare se bhari vaadi me
Mai ye kahta hu chalo aaj kahi kho jaye
Hmmm hmmm
Mai ye kahti hu ki khone ki zarurat kya hai
Odh kar dhundh ki chadar ko yahi so jaye
Hmmm hmmm hmmm hmm hmmm - 6
