Maine kal ek sapana dekha, meri baahon mein thi rekha  
Mera dil hai kitana paagal karata hai bas twinkle twinkle  
Twinkle twinkle twinkle twinkle twinkle  
Rekha se toh nind na aayi, main hoon karishma ka saidaayi  
Usake bina hai mushkil jina chanchal kamsin shokh ravina  
Ravina ravina ravina ravina ravina  
Woh hai shamma main parwaana, shrdevi ka are main deewaana  
Usake liye kab se hoon baawala kabhi toh milegi juhi chaawala  
Chaawala chaawala chaawala chaawala  
Are woh hai shola main hoon rangeela, aag lagaati hai urmila  
Aishwarya mera chain churaaye, tabbu saari raat jagaaye  
Tabbu tabbu tabbu tabbu tabbu  
Bolana usaka ho anmol, bholi bhaali are woh hai kaajol  
Usaki tarah nahi koyi duja, laakhon mein bas ek hai puja  
Puja puja puja puja puja  
Sushmita rambha mamata nagama, de gayi mujhako pyaar mein sadama  
Shilpa ne toh mujhako maara, loot gaya aashiq main bechaara  
Shilpa shilpa shilpa shilpa shilpa  
Naajuk naajuk phul si daali, mujhape marati hai sonali  
Kehata hai mera deewaanapan banegi maadhuri meri dulhan  
Dulhan dulhan dulhan dulhan dulhan  
Sach ho jaaye meri duwaaye, kaash yeh pariyaan mujhe mil jaaye  
Maine kal ek sapana dekha, meri baahon mein thi rekha  
Rekha rekha are pyaari rekha, dekha dekha are sapana dekha  
Maine kal ek sapana dekha
