Mann jaage saari raat, mera deewana  
Mann maane na ye baat, ke woh tha begana [x2] Hai khud se hi, khafa khafa  
Kya chahiye? nahi pata! baawra! Paaya woh naa chaaha, chaaha woh naa paaya  
Jiske peeche bhaage, woh saaya hai re saaya  
Kya kya raste dhoonde! kya kya dukh na paaya!  
Par saaya thehra saaya ke haathon mein na aaya Koi subah, jo main uthuun  
Bujhe agan, mile sukoon, baawara Gin.ta rehta taare lotun main angare  
Khud se ladta phirta yeh jag ko thokar maare  
Kheenche-kheenche baithe, baithe-baithe bhaage  
Na sunta khud ke aage, yeh pagal ho gaya re  
Paaya woh naa chaaha, chaaha woh naa paaya  
Jiske peeche bhaage, woh saaya hai re saaya  
Kya kya raste dhoonde! kya kya dukh na paaya!  
Par saaya thehra saaya ke haathon mein na aaya Hai zindagi muhaal kyun?  
Bana liya yeh haal kyun bata..  
Uljha-uljha rehta naa sunta naa kuch kehta  
Sooni sooni aankhon se reh reh paani behta  
Toote saare naate, haara main samjhate  
Bichhde din aur saathi phir wapas nahi aate  
Wapas nahi aate, wapas nahi aate Yeh dard kyun? yeh pyaas kyun?  
Phira kare, udaas kyun  
Yeh ranj kyun? talash kyun?  
Bata! baawara Thandi aahein bhar ke jeeta hai mar-mar ke  
Pyasa reh gaya hai yeh dariya se guzar ke  
Dhoke se nazar ke jhonke se umar ke  
Ret ke mahal sa, deh gaya hai bikhar ke [x2]Aaa aah aa..  
Mann jaage, jaage re  
Mann jaage  
Jaage jaage jaage baawara!
