Mann ke darpan me dekhe hai kitne rang jivan ke
Saat surr milke jaise sangit me dhale
Phul chun chun ke jaise gulshan koi khile
Mann ke darpan me dekhe hai kitne rang jivan ke
Pal me badal hai pal me kirne hai
Bhor hai sanjh hai kabhi
Ek pal mann nirash hai aas hai kabhi
Pal me muskan pal me hairan
Pyar hai darr hai kabhi
Log apne hai ek pal gair hai kabhi
Pal ye kab jane din bane
Jane kaise din badle saal me
Ungliyo pe gine agar
Yu to saal bhi gujre hai kai
Pichhe mudd ke jo ek baar
Aaj bhi yaad hai sabhi
Yado ke sath khwabo ke silsile chale
Beete har pal ke rang har khwab me mile
Mann ke darpan me dekhe hai kitne rang jivan ke
Bin ladakpan ke manchalepan ke
Kitne masum the sabhi
Ab hai afsos ke laut ke aayenge sabhi
Pal do pal ke hai sare ehsas
Pal do pal ki hai zindgi
Rishte nate bhi khel hai pal do pal ke
Behni nadiya ki dhar ke jaisi
Har khushi aani jani hai
Sanse jab tak hai chal rahi
Dhadkano me jab tak rawani hai
Ek roshan diye ke lau jaisi zindgi ki kahani hai
Aandhiyo me bhi zindgi ki ye lau jale
Ley ki lay pe umra ki dastan chale
