Jo hai aaj adhure honge  
Woh sapane pure  
Chhaaye laakh niraasha  
Tute na mann ki aasha o o o  
Jo hai aaj adhure honge  
Woh sapane pure  
Chhaaye laakh niraasha  
Tute na mann ki aasha o o o  
Hey chalo naache gaaye  
Jhumein hai chume haay  
Jo vedana teri wahin kahaani meri  
Kyun bhala akhiya se barase ir ki dhaara  
Has de has de has de  
Has de has de has de has de  
Dukhon ke jaayenge  
Sukh ke pal aayenge  
Haay haay jo hai aaj adhure  
Honge woh sapane pure  
Chhaaye laakh niraasha  
Tute na mann ki aasha o o o  
Bebaso ka naala sune woh uparwaala  
Kar bharosa har pida ko mita dega  
Mitawa mitawa mitawa  
Mitawa mitawa mitawa mitawa  
Sab ke kaam aata woh hai sabka daata  
Yeh samay ka khela ise  
Toh sabane jhela  
Hausale ke bhor ko ka tutane dena  
Duniya duniya duniya  
Duniya duniya duniya duniya  
Jo kabhi na haarega  
Woh bhaag sawaarega  
Jo hai aaj adhure honge  
Woh sapane pure  
Chhaaye laakh niraasha  
Tute na mann ki aasha o o o.
