Tum tum tum tum tutum
Mann kyon aise bahake hai, tan kyon aise dahake hai haay
Dil kyon aise dhadake hain, shole kaise bhadake hain
Nas nas me aag bahe, yeh kya ho raha hai
Yeh kya ho raha.....
Ham hain javaan dil javaan hai, dil me javaan aramaan hain
Koyee hasin hai toh hoga, hamasa bhee koyee kaha hai
Ik pal jo dekhe toh patthar ko pighala de ham
Ho patthar bhee bol pade, yeh kya ho raha.....
Dilakash kisee ko jo paau, kya sochata hu bataau
Chaahu jo paana mai usako, khud hee kahee kho naa jaau
Phir hoke divaane khud ko hee naa bhula de ham
Jo dekhe kahane lage, yeh kya ho raha.....
Yeh wat
s happening, kya ho raha hai
Jo bhee dilaruba hamko chaahiye, har ik paree apsara chaahiye
Hasinaaye jo aaye fauran sabako jhuka de ham
Sharamaake husn kahe, yeh kya ho raha.....
Tum pyaar ko khel samajhe, mere liye jindagee hai
Shaayad mere saare dil me chaahat koyee bas gayee hai
Hain dil ke jo nagame abb kyon naa kisee ko suna de ham
Ho ham gaaye doharaaye, yeh kya ho raha.....
