Chhabee teree madhur madhur pyare, par aansu mere hare hain
Nainon se bahe jal kee dhara, mann me mere angare hain -4
Aasha ke palav sukh gaye -2, kumhalayee sapano kee kaliya
Kal milan murali ka bagee jaha, sunee mann madhuban kee galiya
Sune nainon kee gagan bich, yeh aansu bhor ke tare hain
Mann me mere angare hai
Jab chah na puri honee thee -2, dee chah milan kee kyon mann ko
Yu jina hai toh jine ka, adhikar diya kyon jivan ko
Kab ghadee milan kee aayegee, yeh vikal pran path hare hain
Mann me mere angare hain
