Mast mast dar mastam, dar rind vind dar mastam
Ast hast dar mastam dar mastam
Aaye ji baanke aaye hastam mastam
O danke bajate aaye rustam shustam ha
Bheje mein bhochal hain, pairon mein paatal hain
Dil ka ahwal le ke aaye
Billi ki khaal hain, chite ki chaal hain
Dham dham dhamaal leke aaye
O rustam aaya o chustam aaya
Sou suragon se mein, chup chup se yun lene aaya
Mast mast dar mastam, dar rind vind dar mastam
Ast hast dar mastam dar mastam
Badega mamla badlega kachahari lagegi, mukadma chalega
Shani jab talega toh dushman jalega
Kabhi to dur hogi duriyan dil ki
Mohabbat ro jahan dhua wooan uthe wahi hoti hain
Jahan aaagan lagan wagan lage wahin hoti hain
Mast mast dar mastam, dar rind vind dar mastam
Ast hast dar mastam dar mastam
Barson yeh kahani likh ke zubani
Ho kahega zamana, ho sunega zamana
Aaye ji baanke aaye hanstam mastam
O danke bajate aaye rushtam shustam
Koi toh raaj hain, woh jinape naraaj hain
Unko awaaj dene aaye
Duniya mein naam hain, par logon mein badnaam hain
Shadi ka paigam dene aaye
Aayeji baanke aaye hanstam mastam
Ho danke bajate aaye rushtam sushtam
