Gul gul gul gul gul gul..
Gul gul gul gul gul gul..
Sine square theta,
Plus cos square theta
Is equal to one beta
Then cos square theta,
Minus sine square theta
Equals to cos two theta
One plus one equals to
Eleven nahi hota beta
Baaki subjects mein hum cool
Bas maths mein dabba gul gul gul..
Maths mein dabba gul
Maths mein dabba gul
Mera maths mein dabba gul
Maths mein dabba gul
Oh dear newton, einstein
How could you find it cool
Maths mein dabba gul
Maths mein dabba gul
Mera maths mein dabba gul
Maths mein dabba gul
Gul gul gul gul gul gul..
Gul gul gul gul gul gul..
Re maths banane wale
Teri amma chuha le jaaye
Hum ghanto matha phode
Kuchh ghanta samajh naa aaye
Bhayankar hai situation
With contradict equation
Algebra, trigonometry
Taxation, mensuration
Dikhne mein patient normal
Par serious hai condition
Syllabus ghol ke peete
Exam mein anda aata
Kabse batting kar rahe bhai
Phir bhi naa khul raha khaata
Are aunty hato naa
Board nahi dikh raha hai
Maths mein dabba gul
Maths mein dabba gul
Mera maths mein dabba gul
Maths mein dabba gul
Oh dear newton, einstein
How could you find it cool
Maths mein dabba gul
Maths mein dabba gul
Mera maths mein dabba gul
Maths mein dabba gul
Gul gul gul gul gul gul..
Gul gul gul gul gul gul..
Sambhal sambhal ke yun
Kuchh chal rahi hoon main
Khadi hoon phir kyun laage ke
Phisal rahi hoon main
Thodi thodi si khush
Thoda dari hoon main
Par zidd kar li hai ab to
Zidd pe adi hoon main
Left side mein joota factory khana
Jhaadu pocha kathka
Right side pe sasura bheja kambakkht
Maths mein jaa hai atka
Ab lhs aur rhs tu balance kar le beta
Ab door tujhko jaana hai
Tu tanki karle full full full..
Maths mein dabba gul
Maths mein dabba gul
Mera maths mein dabba gul
Maths mein dabba gul
Oh dear newton, einstein
How could you find it cool
Maths mein dabba gul
Maths mein dabba gul
Mera maths mein dabba gul

Maths mein dabba gul
Gul gul gul gul gul gul..
Gul gul gul gul gul gul..
