Matwala sawan aaya masti ka mausam laya  
Jhum jhum ke dil mera gane laga  
Papiha pi pi bole kano me ras ghole  
Sanso me pyar gungunane laga  
Gungunane laga  
Oho ho matwala sawan aaya  
Chede hai kisne murli ki dhun  
Faili jo thirkan sanso me  
Rang anokhe bhar diye kisne  
Bholi bhali adao me  
Koyal bela mastana hoga tera diwana  
Dur dur se jisko ye bulane laga  
Oho ho matwala sawan aaya  
Chalke gagariya barse badariya  
Fir bhi najariya pyasi kyu  
Tu pyasi hai pi ke milan ki  
Samjhe na bat jara si kyu  
Ye thandi thandi aahe khoi khoi nigahe  
Kahti hai koi tadpane laga  
Oho ho matwala sawan aaya  
Chalana sambhal ke lut na jaye  
Prem nagar ki raho me  
Aaj kisi par mar mitne ki  
Chah jagi hai nigaho me  
Ye lachki lachki dale  
Ye bahki bahki chale  
Tan man mera dagmagane laga  
Papiha pi pi bole kano me ras ghole  
Sanso me pyar gungunane laga  
Gungunane laga  
Oho ho matwala sawan aaya.
