Siyahee me ghul gaya, andhero me dhul gaya  
Chhod gayee roshanee ve rabba tu na chhodan  
Maulaa muh na modana, tu mujhase muh na modana  
Pal pal rag meraa naam teraa ek chiraag hai  
Teree paak najaro me meree chaadar bedaag hai  
Tute khilaune ko abb kya aur todanaa  
Maulaa muh na modana, tu mujhase muh na modanaa  
Khud ko karke tere hee hawaale chal raha hu mai  
Bujhate bujhate teree rehmat se jal raha hu mai  
Sikha andhero se maine haath jodana  
Maulaa muh na modana, tu mujhase muh na modanaa  
Siyahee me ghul gaya andhero me dhul gaya  
Chhod gayee roshanee ve rabba tu na chhodana  
Maulaa muh na modana, tu mujhase muh na modanaa - 8
