Maula re, maula re
Sunaayee detee hai dhadkano me teree rasilee sada
Waah re teree shaan yaa maula, too ham sab kee jaan yaa maula
Sunaayee detee hai dhadkano me teree rasilee sada
Ham tere mastaan yaa maula, tujhase hai imaan yaa maula
Teree muhabbat kee justjoo me, karke yakin teree aarju me -2
Juda jamaane se ho gaye hain, tere khayaalo me kho gaye hain -2
Hame khud apane khabar nahee hai, naa tere ghar kaa pata
Ham tere mastaan yaa maula, waah re teree shaan yaa maula
Maula re maula re
Hai tere ghum kaa junun hamako, nahee kisee par sukun hamako -2
Tadap ke raate gujarate hain, tujhee ko har dum pukarate hain -2
?? hai phir bhee tujhe dhundatee hai hamaaree najar
Dil me hai tufaan yaa maula, waah re teree shaan yaa maula
Maula re... maula maula maula maula teree unchee shaan maula
Maula re maula re.....
