Suukhi rut mein chhaai badariya, chamaki bijuriya saath
Duubo tum bhi sang mere, ya thaamo mera haath
Maula salim chishti, aaga salim chishti
Aabaad kar do dil ki duniya salim chishti
Jitani balaayein aai, sab ko gale lagaaya
Khuun ho gaya kaleja, shikava na lab pe aaya
Har dard ham ne apana, apane se bhi chhupaaya
Har dard ham ne apana, ha
Har dard ham ne apana, apane se bhi chhupaaya
Tum se nahin hai koi parda salim chishti
Maula salim chishti
Jaaega kaun aake, pyaasa tumhaare dar se
Kuchh jaam se pienge, kuchh maharbaan nazar se
Kuchh jaam se pienge, ha
Kuchh jaam se pienge, kuchh maharbaan nazar se
Ek pyaali bhar ke de saaqi mai-e-gulafaam ki
Ek apane naam pi, aur ek allaah naam pi
Met de puuri meri hasarat dil-e-naakaam ki
Dede dede dard mein koi surat aaraam ki
Ghuunt hi pila magar josh-e-tamanna daal kar
Ek qatara de magar qatara mein dariya daal kar
Kuchh jaam se pienge, kuchh maharbaan nazar se
Ye sang-e-dar tumhaara, todenge apane sar se
Ye sang-e-dar tumhaara, ha
Ye sang-e-dar tumhaara, todenge apane sar se
Ye dil agar tumhaara tuuta salim chishti
Maula salim chishti
Is sang-e-dar ke sadaqe, is rahaguzar ke sadaqe
Bhatake hue musafir, manzil pe pahunche aakir
Ujade hue chaman mein, ye rang-e-pairahan mein
Sau rang muskuraae, sau phuul lailahaae
Aai nayi bahaarein, pahalane lagi phuaarein
Ghuunghat ki laaj rakhana, is sar pe taaj rakhana
Is sar pe taaj rakhana
Aaga salim chishti, maula salim chishti
